This outstanding popular program is a true classic. It is designed to give the traveler with limited time, a superb introduction to the civilization of Ancient Egypt. It focuses on the Nile and its importance to the people. Extend your stay by taking the extraordinary extension to the fortified Monastery of Santa Katharina at Mount Sinai, and Petra, Jordan's most exciting site. We highly recommend it!

Day 9

Cairo/Santa Katharina Monastery/Taba

Early morning we cross the Red Sea and continue by motorcoach to the Sinai Peninsula, which contains great stretches of extraordinary desert scenery. High Granite Mountains and deep chasms form landscapes that in places look like the surface of the moon. There are fertile green oases where Bedouin tribesmen bring their sheep and camels for water. Your imagination will be captured by the biblical traditions of its ancient past where Moses led the 12 tribes of Israel from slavery in Egypt to the Promised Land Jebel Musa, the Mount Sinai of the Old Testament, is where Moses received the Ten Commandments from Jehovah. We arrive at the Monastery, an isolated holy place of rich treasures. The fortified monastery has sheltered Christian monks since the Sixth Century, when it was built on the order of Emperor Justinian. It is at the foot of Jebel Musa on the traditional site of the Burning Bush, a part of the Greek Orthodox Church. The Church contains the great Mosaic of the Transfiguration of Christ, numerous icons and sacred art treasures. The Monastery's Library is considered second in importance only to the Vatican Library. Overnight in Taba. **(BLD)**
