The history of Jerash is a blend of the Greco-Roman world of the Mediterranean basin and the ancient traditions of the Arab Orient. We will visit the **Roman city** with colonnaded streets, the ancient theater, the baths, the hill top temple, the triumphal arch etc.

We will continue to **Amman**, a metropolis in the center of Jordan, the capital of the Hashemite Kingdom and the largest city in the country.

Petra

### Day 3 Monday

**Amman | Petra | Amman**

After breakfast, we will leave the hotel and travel south on the road to Wadi Musa for an exciting day's visit to **Petra**, which is known as "Ha Sela Ha Edom" or red rock city. We will start with a horseback ride to the "Siq" (Canyon) and then continue on foot to Petra, the ancient capital of the **Nabateans** from the 3rd century BC to 2nd century AD.

We will visit the most interesting carved monuments such as the **Treasury** (El Khazneh, a tomb of a Nabatean king) to the field of tombs, obelisks, the altar etc. From this point, you can view the whole of the rock city.

At the end of the visit, we will drive back to Amman for overnight.

**Overnight: Amman**

### Day 4 Tuesday

**Amman | Madaba | Mount Nebo | Jerusalem | Tel Aviv**

Check-out after breakfast at the hotel. We will drive to **Madaba**, best known for its spectacular Byzantine and Umayyad mosaics. Madaba is home to the famous 6th century Mosaic Map of Jerusalem and the Holy Land. With two million pieces of vividly colored local stone, it depicts hills and valleys, villages and towns as far as the Nile Delta. We will then continue to **Mount Nebo**, from where Moses viewed the Promised Land.

We will stop for an overview of the Jordan Valley, Jericho and the Dead Sea. At the end of our visit, we will drive to the border to cross back to **Israel** and transfer to Jerusalem or Tel Aviv. *Hotel for the night not included.*
