Day 3, Tuesday – Volunteering down South

Breakfast at the hotel.

We will depart our hotel to the **South of Israel** fueled by a shared sense of purpose and solidarity. We will show our support and uplift these communities at a difficult time in our shared common history. We will come ready to forge connections and make a meaningful impact on the lives of those we are about to meet.

Our journey starts with an opportunity to **help the Israeli farmers**. Roll up your sleeves and get ready to work (hard!) – picking, sorting, weeding- whatever they need. Since October 7, many foreign workers returned to their home countries and many others were called up for army service leaving a tremendous gap in one of the critical economic assets of Israel.

Enjoy a light or boxed lunch

Walk on the scorched earth of the **Re'im** parking lot where thousands of young people were partying at the Nova Music Festival on October 7 when armed terrorists swept in followed by a glimpse of what is being called the 'haunted graveyard' of Israeli vehicles damaged on October 7

And lastly, we will bear witness to the unimaginable destruction that took place on October 7th by **visiting one of the communities** that was infiltrated in the South.

If conditions allow we will visit a military base and have a military briefing providing participants with a deeper understanding of the area's significance and challenges.

Return to hotel.

Dinner at hotel.

Day 4, Wednesday – Volunteer up North

After breakfast we leave our hotel from Jerusalem and start our day traveling North meeting with an organization called – **"Hashomer Hachadash"** who took responsibility for safeguarding Israel's lands by engaging in agricultural and forestry work alongside educational initiatives that strengthen connections to the land.

Light or boxed lunch

We will work and **volunteer** together with them and learn more about their doing and the life today in Israel.

Return to Jerusalem.

Enjoy dinner on own.

Day 5, Thursday – Jerusalem and Tel Aviv

We will check out from our hotel and have a quick tour to the Western wall and the Jewish quarter.

From there we will drive to Tel Aviv and visit the **Anu Museum**, the museum of the Jewish people and specifically the October seventh - Special Lobby Exhibition.

Visit **Magen David Adom** and hear stories from first responders from October 7th. Opportunity to donate blood if time allows.

Lunch on own

We will drive to **hostage square**, witnessing in firsthand the support and efforts being made to bring all hostages back home.

To sum up our mission we will have a Farewell dinner and meet an journalist/ex-military parson to learn more what the future holds for Israel and the region.
